## Aleksandra Osadcha: Minimalist Maternity Photography

Her work is renowned for its timeless approach, blending light, shadow, and emotion to create images families treasure for generations. Based in Krakow, Aleksandra continues to produce photography that reflects her passion for capturing the beauty of pregnancy and family connections.

Osadcha's accomplishments include participating in multiple editions of the [Outstanding Maternity Award](#), where she has been recognized for her expertise in maternity photography. Most notably, she was selected as a judge for Season 35 of the awards.

This recognition underscores Aleksandra's significant contributions and the respect she has earned within the maternity photography community.

In addition to her photography, Aleksandra Osadcha actively supports the growth of fellow photographers. She conducts masterclasses and offers personal consultations, sharing techniques on studio lighting, flash usage, and retouching. By mentoring photographers across Europe, Osadcha aims to strengthen the community and inspire others to achieve excellence in their craft.
